

The Human Revolution

How community, wellness and design will disrupt the property industry by 2030

The workplace of 2030 will look very different to office spaces today. Or at least, it will for employers who want to attract the best in the business, keeping them happy and productive.

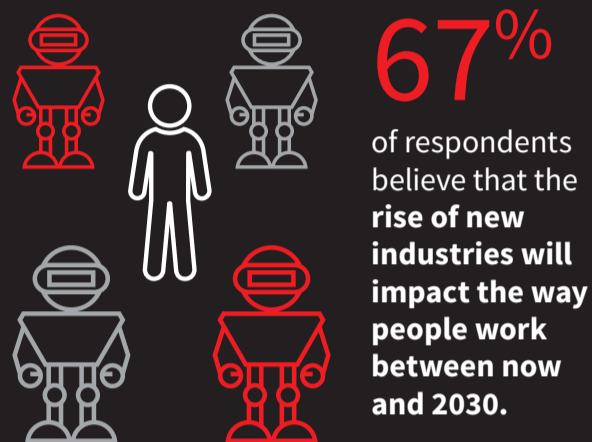

As part of our TEDxSydney partnership we surveyed more than 260 people to find out what will have the biggest impact on the way we live and work in the year 2030. This is what they told us:

BY 2030: WORK TRAVEL DISRUPTED

Respondents will travel to work by:

BY 2030: WORK STRUCTURE DISRUPTED

BY 2030: WORK ENVIRONMENT DISRUPTED

BY 2030: WORK HOURS DISRUPTED

BY 2030: JOB SATISFACTION DISRUPTED

BY 2030: WORK SPACE DISRUPTED

Respondents expect to spend more of their working life:

BY 2030: ORGANISATIONS DISRUPTED

Respondents think organisations can best position themselves for the future by:

Harnessing employee innovation.

Diversifying their business activities and partnering with startups to identify and develop latest tech solutions.
